House System

We at Udayan have a well functioning House system. We have four Houses. Variety of inter house events are conducted, where students compete for the success of their house. This fosters a sense of unity and team spirit amongst the students. It also teaches love and care between seniors and juniors. All houses are under the supervision of house Mistress.

Sampoorna House- “Aiming for Excellence”

Shakti House- “Powered within”

Sahyog House- “ Harnessing Synergy”

Samvedna House- “Where Compassion Dwells”

Sports

We at Udayan focus on overall development of the children and believe that sports also is very essential part of a students' life. We have Taekwondo, Basketball, Skating, Cricket, Athletics, Cricket, Table- Tennis, Football

Empowering Young Minds

Unveiling Our Unique Programs for Young Learners' Development. At our school, we are dedicated to fostering the holistic development of our young learners through a diverse range of activities.

Field Trips and Excursions

Our aim is to enhance students' understanding of various subjects by immersing them in real-world scenarios. Through field trips and excursions, we create opportunities for a holistic approach to education.

Exploration Day

Experience a bag-free day at our school, where children engage in hands-on learning through experiments, life-skill-based activities, role-play, storytelling, movie sessions, and exciting house activities.

Extended Enrichment Hours 'Beyond the Bell'

"Beyond the Bell" is an optional two-hour extended school program exclusively designed for Udayan students. This program ensures that any doubts regarding understanding key concepts are comprehensively addressed.

Join us for exciting excursions, field trips, and picnics as we embark on a journey of holistic education for the young minds at Udayan.

One Child, One Skill, One Talent

Clubs

Our schools prioritize holistic student development through co-curricular activities, focusing on social, intellectual, moral, cultural, and ethical values, as well as personality and character advancement.

It is mandatory for each student to be a part of at least one of the clubs

The Nature Club

Focused on environmental awareness, the Nature Club encourages proactive engagement in sustainable development. It imparts fundamental knowledge about the natural environment and cultivates practical skills in students at all levels.

The Robotics Club

Dealing with the design, construction, and operation of robots, the Robotics Club enhances creativity and innovation. Students learn about computer systems for control, sensory feedback, and information processing, fostering a more productive mindset.

The Literary club

Offering opportunities to appreciate different types of literature, the Literary Club refines students' literary skills, encourages logical thinking, and instills confidence in public speaking. It's a platform for literature enthusiasts to share experiences, readings, and thoughts.

The Mathematics Club

Creating a supportive learning environment, the Mathematics Club allows students to develop and practice mathematical skills in an enjoyable manner. The main focus is on having fun, learning math, and helping others in the process.

The Science Club

Formed to promote scientific vigor and inquiry, the Science Club, encompassing Physics, Chemistry, and Biology, organizes events testing participants' knowledge and problem-solving skills in real-life scenarios.

The Sports Club

Emphasizing the importance of a healthy mind and body, the Sports Club plays a vital role in character formation. It instills teamwork, coordination, discipline, and cultural awareness, fostering a healthy sporting habit among students.

Admission Policy

**The school being co-educational and secular in its foundation believes in
'Right to education for every child'**

Pre-admission Procedure

- Inquire through school visits, calls, or website: www.globalpratibha.in
- Review the prospectus and fill out the online/offline application form.
- Fill and submit of the registration form along with the following documents:

 Birth Certificate	 Previous Year Report Card
 Vaccination Card (up to Grade 1)	 Proof of Residence
 Three Passport Size Photographs	 Parents ID Proof

Post Admission Procedure

- Once Admission is granted, parents are required to deposit the Fees and submit the following documents:
 -  Transfer Certificate in original
 -  Photocopies of all achievement certificates in the field of Academics, Sports, Extra-Curricular activities
- The Enrollment Form must also be completed and duly signed by both parents.
- Once the Fee and documents are submitted, parents will receive an Admission Confirmation Receipt
- School uniform and books can be bought from the Uniform shop and Book shop in the school. The book list is available with them.
- A new section is allotted on the day of admission. The timetable is handed over to the student by the Class Teacher
- Parents need to inform the school of the joining date of their ward. This is mandatory because Staff needs to be informed to expect a new student on a particular day and need to prepare accordingly
- Parents can contact the school admission counselor in case of any further query.

Associate Brands

Preparing for IIT JEE, JEE Main and NEET can be challenging at times when not backed by an institution. This is where GOF Academy serves the best when it comes to providing foundational courses for several competitive exams that are meticulously designed to cater the academic needs of various students. A one-stop solution for aspiring NTSE, KVPY, Olympiads, IIT JEE, NEET, and CBSE Board aspirants.

We Offer Best Coaching for

IIT-JEE

NEET

Olympiads

Technology Based Teaching

We use smart interactive panel along with traditional whiteboards. Personalized Dashboards, list of courses along with scheduled mock-tests. In order to increase student's capacity to learn.

Talent Adoption Programs (TAPS)

Unveiling a unique feature, TAPS, we identify and support talent at an early stage, providing financial and logistic backing with generous support from individuals, NGOs, societies, and industries.

What is GOFAST Scholarship?

The GOFAST Scholarship is an online test for Admissions and Scholarships at GOF Academy. The exam covers Mathematics, Science, and Mental ability based on the CBSE syllabus for grade 5th to 12th. Successful candidates receive scholarships and rewards.

Testimonials

See what Parents and Students have to say

My sister's son has attended Global Pratibha International School for three years now. She absolutely loves the school and the staff. Her teachers are a great encouragement and the academic program is great.

Sachin Yadav

One of DWARKA's top-rated schools is GPIS. They give students the greatest education possible. They place a strong focus on extracurricular activities for a child's complete development. GPIS is one of the prestigious schools that parents should take into consideration because of everything about it.

Anjali Joshi

My child loves this school, enjoys every day and looks up to his teacher. I am very happy for my child. He is learns a lot of things progressing every day. Very good, helpful teachers and staff. I am pleased with my children's progress.

R K Singh

Not everyone likes school. If your kiddo is having fun during the day, your teacher is doing something right. I want to thank 'Manisha Jain ma'am'. She is doing wonderful job.my daughter is very excited to taking her class and doing very well. Manisha Jain ma'am is very versatile teacher as well very experienced. Must say her class is very energetic and full of fun as well the way of teaching is very powerful. I am glad to say my daughter is in safe hand. Thank you Manisha Jain ma'am. As a parents I am very happy to have you as a my daughter teacher. Thank you so much. Global Pratibha international school is one of the best school in Delhi Dwarka. all teachers staff is very co-operative. Specially principal ma'am is very familiar with all Parents. She feels us like a family.
